ABOUT US.

REINVENTING EXCELLENT SERVICE

DRC Services (PTY) LTD was founded in 2021 with a strong focus on building lasting customer relationships, underpinned by our reliable values. As a leading supplier across various market segments, we take pride in our team of honest, well-trained, and friendly staff, who are passionate about delivering exceptional service every day.

We specialise in:

- Electrical spares, lighting, fittings, and consumables
- Personal Protective Equipment (PPE), welding equipment, electrodes, and consumables
- The installation and servicing of medical gas supply systems for hospitals and healthcare facilities
- The supply, installation, and servicing of LPG gas equipment for industrial, commercial, and domestic use
-

Additionally, we provide packaging solutions for all industries, cleaning chemicals, hardware, abrasives, cane cutting tools, and other general supplies.

At **DRC Services**, we are committed to providing the best service to meet the diverse needs of our clients, no matter the industry.

COMPANY OVERVIEW

DRC Services specialises in providing high-quality solutions across various industries. We offer general electrical supply, industrial electric cables, lighting and fittings, as well as the installation and servicing of medical gas supply systems for hospitals and healthcare facilities.

Additionally, we supply, install, and service LPG gas equipment for industrial, commercial, and domestic applications.

With a strong focus on reliability, expertise, and customer satisfaction, DRC Services is committed to delivering trusted and efficient solutions to meet the diverse needs of our clients.
